

# CRAFTED TO ENDURE, DESIGNED TO INSPIRE INDUSTRIAL PLASTIC LUMBER

When it comes to local high school and athletic facility needs, durability and reliability are essential. That's why we developed the Lumberock® Artisan line—a premium industrial plastic lumber built to withstand the demands of stadiums, bleachers, dugouts, locker rooms, and other high-traffic areas. Designed for strength and longevity, Artisan provides a low-maintenance, high-performance solution for schools and athletic programs that need tough, weather-resistant materials that stand up to heavy use year after year.

**INDUSTRIAL STRENGTH**  
Built to last with advanced composite technology

**STAIN, MOLD, INSECT  
WATER RESISTANT**  
Guaranteed to endure in spite of the elements

**LOW MAINTENANCE**  
No sanding, staining, or sealing needed

**LIFETIME WARRANTY**  
Promises long-term performance & peace of mind.

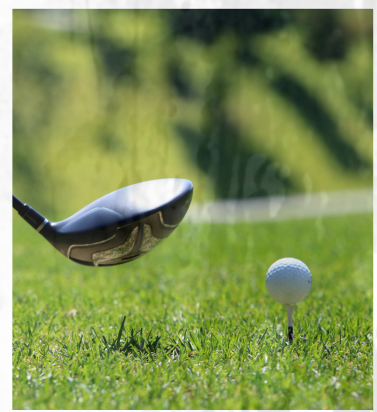

## LUMBEROCK *Artisan*

Lumberock® Artisan boards are engineered to meet the unique needs of high school athletic facilities, offering a variety of custom shapes, sizes, and applications. From durable bleacher seating and dugout benches to slip-resistant locker room flooring and fencing, our boards provide long-lasting performance in high-traffic sports environments. With options like deck boards, tongue-and-groove, groove-and-groove, balusters, and fence boards—plus custom colors and specialized applications upon request—Lumberock ensures your school's athletic facilities are built to last.

# TURF NAILER BOARD

Artisan's Turf Nailer Board is the ideal solution for high school athletic fields, providing a durable and sustainable option for synthetic turf installations. Made from recycled plastic, it outperforms traditional wood with superior fastener retention and resistance to moisture, rot, and chemicals—perfect for high-traffic sports environments. Its HDPE plastic system matches the expansion rate of nylon turf, reducing stress and extending the field's lifespan. Whether for football, soccer, or baseball fields, BearBoard ensures a secure, long-lasting installation that stands up to the rigors of high school athletics.

**1x4 ,1x6, 2x2, 2x4 Boards**  
**Available in Lengths of**  
**8',12',16', 20' Ft**

## Why Artisan?

- ✓ **Impervious to Insects:** No need to worry about pests compromising your installation.
- ✓ **Will Never Rot, Crack, or Splinter:** Enjoy long-lasting performance without the typical issues associated with wood.
- ✓ **Cuts & Fabricates like Wood:** Easy to work with using standard tools.
- ✓ **Smooth Edge Cuts:** Achieve professional results with clean, precise cuts.
- ✓ **Completely Waterproof:** Designed to withstand the elements without deterioration.
- ✓ **No Special Tools Required:** Simplify your installation process with this versatile and user-friendly material.

# YOUR ATHLETIC SUPPLY POWERHOUSE

Lumberock Artisan is your premier source for athletic equipment to outfit your high school with durable, sustainable, and fully customizable solutions. From locker room benches and stadium seating to dugout benches, tables, and even trash cans, we provide everything you need to enhance your athletic facilities. Our high-performance plastic lumber products are built to withstand the toughest conditions while maintaining their strength and appearance for years to come. With a wide range of colors and customization options, we ensure your equipment aligns perfectly with your school's brand, creating a cohesive and professional look. As a one-stop shop, we make it easy to design and order the exact pieces you need to support your athletes, fans, and school spirit—all with the long-lasting durability that Lumberock is known for.

### FULLY CUSTOMIZABLE

Available in a variety of shapes, sizes, colors and even with custom engraving.

### SLIP-RESISTANT

Ideal for locker rooms, dugouts, swim meets, and outdoor seating.

### ULTRA DURABLE

Resists rot, mold, mildew, heat damage and insect damage for long term use.

### Non-Toxic and Splinter Free

Stay safe from splintering and cracking wood with our non-toxic HDPE.
